Seasons Growing Faith Leader Guide

Upper Room

This study examines the preschool years in a child's development, education and their deployment in preschool institutions.

The Journal of Nursery Education

Brazos Press

In today's world, with its relentless emphasis on success and productivity,

we have lost the necessary rhythm of life, the balance between work and rest. Constantly striving, we feel exhausted and deprived in the midst of great abundance. We long for time with friends and family, we long for a moment to ourselves. Millennia ago, the tradition of Sabbath created an oasis of sacred time within a life of unceasing labor. Now, in a book that can heal our harried lives, Wayne Muller, author of the spiritual classic *How, Then, Shall We Live?*, shows us how to create a special time of rest, delight, and renewal--a refuge for our

souls. We need not even schedule an entire day each week. Sabbath time can be a Sabbath afternoon, a Sabbath hour, a Sabbath walk. With wonderful stories, poems, and suggestions for practice, Muller teaches us how we can use this time of sacred rest to refresh our bodies and minds, restore our creativity, and regain our birthright of inner happiness. Praise for Sabbath “Muller's insights are applicable within a broad spectrum of faiths and will appeal to a wide range of readers.”—Publishers Weekly “One of the best spiritual books of the year.”—Spirituality and Health “Wayne Muller's call to remember the Sabbath is not only rich, wise and poetic, it may well be the only salvation for body and soul in a world gone crazy with busyness and stress.”—Joan Borysenko, author

of *Minding the Body, Mending the Mind* and *A Woman's Book of Life* “This is a book that may save your life. Sabbath offers a surprising direction for healing to anyone who has ever glimpsed emptiness at the heart of a busy and productive life.”—Rachel Naomi Remen, M.D., author of *Kitchen Table Wisdom* [Sustainable Children's Ministry](#) Thomas Nelson Incorporated

This book is a practical step-by-step guide for church planters and their coaches. It covers everything they need to know to start healthy, growing churches that are biblically faithful and yet culturally relevant. While addressing the who, why, and where of planting new congregations, this comprehensive manual focuses primarily on the "how-tos." The authors use a five-stage "life

cycle" (conception, pre-natal development, birth/infancy, adolescent growth, and adult reproduction) to flesh out the entire process of starting and growing a new church. Under each of these stages, a host of essential ministry and planning tasks is addressed so the planter can keep his "baby" church on course and can have the joy of watching the new church grow to maturity and eventually reproduce itself.

Safe Sanctuaries InterVarsity Press
The Abingdon-Church of the Resurrection Ministry Guides are the first choice for recruiting, motivating, and developing lay leadership for specialized ministries from A to Z—from adult ministries to ushering. Each inexpensive, 64-page Guide brings together Church of the Resurrection's can-do attitude with

Abingdon Press's ministry of empowering church leaders. The result is a series that is user-friendly, encouraging, and most important, practical. The passion to help churches experience how many things they can do to encourage participation drives these Ministry Guides. Each Guide is concise, conversational, and current, full of ideas you'll be able to implement immediately, with little or no budget. Recognizing that volunteers are busy people who work hard, the Guides will be the first place to turn when you're new to a topic, to help you feel empowered, prepare quickly, and get up and running with confidence and creativity. You'll find eye-catching icons and features that help you move directly to practical, fun, and effective solutions. Judy Comstock is the Director

of Children's Ministries at the United Methodist Church of the Resurrection.

Children's Ministry New Growth Press Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for

even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. *QuickBooks for Churches* covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let *The Accountant Beside You* take one more worry off your crowded to-do list.

Voice Augsburg Books

This ten year anniversary edition of the

bestselling Safe Sanctuaries series brings together-in one volume- the transformative and foundational information found in the Melton's previous two volumes. Safe Sanctuaries remains the only resource of its kind that offers the tools necessary to train leaders of the church to keep the children and youth safe. This volume is updated to include information on the growing concern around the internet and predators as well as a new section on vulnerable adults.

Church Administration and Finance Manual B&H Publishing Group

A field-tested, pragmatic, and resourceful guide to the daunting and logistically complex management of local church. Pastors generally feel equipped to deal with biblical studies,

theological questions, preaching responsibilities, and pastoral care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. Often lay leaders within the congregation flounder with these tasks as well. Here, finally, is the ultimate reference guide for the practical management of the parish. Originally created as a sourcebook for the authors' week-long course on church management and administration at the Claremont School of Theology, the manual in draft version has been field-tested by hundreds of pastors and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, various financial forms,

materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. Whether pastors are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.

Charisma and Christian Life Sparkhouse Family

A response to fear that resists security in favor of love, community, and providence is articulated in a guide that presents Christian virtues as a way to defeat suspicion, preemption, and control.

The Episcopal Christian Educator's Handbook Bantam
Child Safety Guidelines for Local

Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters, but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they

serve. ROGER MCNAMARA is a veteran pastor, missionary, and church planter with more than forty-six years of experience in local church ministry in Latin America and the United States. He has started and worked in half a dozen churches over the past four decades, and now serves as the Church Planting Training Specialist for Baptist Mid-Missions. In this capacity, he works with churches and church planters throughout the United States and Canada teaching, training, and mentoring church leaders. He also serves in a number of leadership positions within the Baptist Mid-Missions' TEAM NORTH AMERICA as well as the registrar for the School of Church Planting. He has published two other books and several leadership training

manuals.

Maximum Rockroll Church Publishing, Inc.

Kay Arthur's successful New Inductive Bible studies series (more than 495,000 copies sold) for kids has a new addition. Now the clever team of Max, Molly, and the wonder-sleuth Beagle, Sam, discover how to be champions for God by exploring the winning offerings of 2 Timothy. Young readers enter an Olympic summer camp, engage in exciting competitions, and explore the official rulebook, the Bible. Together with Max and Molly, readers will race to discover: what the good news about Jesus is and how to learn it for themselves how they can pass the baton of belief on to others how they can stay faithful and run the race even when

others quit This engaging study, ideal for individuals or small groups, presents preteens with God's truth and training so they can finish the course as shining winners and receive the crown that will last forever.

Following Jesus in a Culture of Fear Xulon Press

Meaningful, lasting learning comes from childlike curiosity and play. The approach of this book is to make religious instruction fun, spontaneous and deeply spiritual. Godly Play is a practical yet innovative approach to religious education--becoming childlike in order to teach children.

Zondervan

The Bible-based weight-loss plan used successfully by over a half million

people. Lose weight and keep it off forever. Find your motivation through inspiration; see and feel the results immediately; not another diet but a way of life.

[The Ecology of Preschool Behaviour](#) AK Press

This delightful picture Bible tells twenty of the Bible's most beloved stories from creation to the resurrection and introduces little ones to God's love and care. A perfect first Bible for babies and toddlers.

[Head Start in Action](#) New Hope Publishers

In our increasingly litigious society, churches and religious organizations need to pay careful attention to the changing legal landscape. Church Hiring and Volunteer Selection addresses the

growing issue of church hiring (and firing) practices - and provides a user-friendly guide to educate church members in how to avoid negligent hiring claims. This is not just a legal handbook; Lynn R. Buzzard and Susan M. Edwards write in a theological context and address the mission of the church in today's society. Buzzard and Edwards discuss hiring in various special contexts, including the hiring of child-care workers. A 78-page appendix contains numerous forms that can be used in the hiring process.

[This Is the Church](#) Harvest House Publishers

Churches have always sought to be a safe haven for children and families, but many today are dealing with the tragic reality of child sexual abuse. For the first

time in history, this issue is finally being acknowledged by churches and faith communities. But the task of developing a policy to keep children safe can seem too overwhelming—it feels like an impossible task to plan for every contingency. This results in churches neglecting to put working safety plans in place, leaving themselves, and the children they care for, vulnerable. This handbook, supported by a multidisciplinary team of child abuse experts, is designed to help churches and faith communities formulate policies and procedures to protect children and deal with possible child abuse in their ministries, school, and church. By walking through a wide range of scenarios, this book will assist churches and ministries to assess their current

child abuse policies and guide them through each step they should take to address the safety of children under their care. Covering vitally important topics including the warning signs of abuse, how to respond to abuse allegations and care for victims, and the legal implications and requirements for churches and Christian ministries, working through this book will guide churches and Christian ministries in creating and implementing policies to protect children in a Christian environment from child abuse. This handbook is an invaluable resource for Christians who are seeking to educate themselves and others about child abuse and how they can best protect the little ones under their care.

The Dandelion Field This handsome firefighter makes a living coming to the rescue, but Gin doesn't need a man to fight her battles. After Raine's dad walked out, Ginevieve Lightly never lived in one place too long, a rambling lifestyle that defined her daughter's youth. When their car dies in Banister Falls, Wisconsin, Gin promises Raine they can stay until she finishes her senior year of high school. Gin will do anything to make sure her daughter has a bright future . . . a future that's compromised when Raine reveals she's pregnant. Dan Moretti has only ever called Banister Falls home. After losing his best friend in a tragic accident, Dan devoted himself to responding to fires, rescuing the helpless, and guiding Cody

Bennett, his best friend's son, through life. With Cody being the epitome of the good kid, it was an easy job. Until he says four little words: "The baby is mine." As Gin and Dan do the best they can to guide the two teenagers through their early entry into adulthood, they discover together that romance can bloom in the rockiest of situations. And God can turn the pieces of a broken past into a beautiful new beginning. The Hearts We Mend Planning and Post-It notes are the epitome of Evie's life. But when she meets Jack, her life gets more than a little complicated. Thirteen years ago, Evie's firefighter husband was killed in the line of duty, leaving her to raise their young son, Cody, alone. Now, Cody is marrying the love of his life, and as he packs up his belongings, the house feels

as empty as Evie's heart. But for all her planning and mad organizational skills, Evie could never have anticipated the dramatic shift her life is about to make. Tattooed, rough-around-the-edges Jack raises quite a few eyebrows in the tight-knit community of Banister Falls. Where Evie's life is stream-lined, Jack's approach to living is moment-by-moment. But as Evie gets drawn into Jack's world—a world that isn't as safe or predictable as the one she's worked so hard to create—he challenges her to open her eyes to the problems outside the walls of the church. Jack doesn't make Evie feel comfortable, but he definitely makes her feel something. Something she hasn't felt since Max passed away—or, maybe ever. Because even though Jack isn't anything like her

late husband, he just might be everything she needs.

Gospel Light

Builds upon the success of The Episcopal Handbook, this handbook taps into and expands on the most accessed pages of the Building Faith website and its online resource room. Perfect gift for teachers, seminarians and the newly ordained, this field guide is essential reading for all those who have anything to do with the ministry of Christian formation and education. A trusted companion and toolbox for anyone who teaches children, youth, or adults in a congregational setting, it includes handy forms, teaching tidbits, plus important information on “all things Episcopal,” sprinkled with humor and advice on how

to handle many of the situations that occur in a teaching setting.

Frolic First Bible Abingdon Press

In this six-week Bible study through the beatitudes, author Jennifer Kennedy Dean examines the promise of blessedness in Christ’s Sermon on the Mount. Unlike a circumstance-driven emotion, such as happiness, blessedness is eternal and grounded in the reality of Christ in you. You are able to live in the state of blessedness that God has created for you when you discover the key to true holiness—a call to freedom and joy. We were made for holiness, and this core concept of the beatitudes is accessed through a praying life—a life lived in the present-tense power of God. It is only when we continually pursue holiness that blessedness comes, and we

discover the power and fulfillment of the promise of God. An accompanying DVD and online resources are available to enhance the study experience.

The Y-B-H Handbook of Church Planting (Yes, But How?) Cambridge University Press

The cross is regarded as Jesus Christ's great work of salvation. But is it also a work of creation? Excitingly plumbing Scripture and Christian tradition, Andrew McGowan shows that it is. "Each of Jesus's seven words from the cross can be understood as a creative act, as a new divine work," he writes. From the cross, Jesus works forgiveness, bestows Paradise, enacts human relationship, identifies completely with humanity, fulfills Scripture, and reenacts Sabbath. From early days, Christians—for good

reason—linked the original seven days of creation with creation and re-creation at the apex of salvation. *Seven Last Words* recovers this linkage in all its power and perennial freshness. But that is not all. In addition to surveying the seven last words Jesus spoke, McGowan insists that at the cross "the eternal Word not only speaks, but listens." And so he turns to the "conversations" spoken not only from but to the cross. Here he opens new vistas on the words of Judas, Dismas (the criminal crucified beside Jesus), Mary, God the Father, Longinus (the centurion), and Nicodemus, and ruminates fascinatingly on the accompanying silence of the angels. Profound and endlessly edifying, *Seven Last Words* will richly repay reading and rereading.
