 En esta historia, tan pícaro como moral, a pesar de la advertencia del autor, nos habla Zweig de la idea del doble, en este caso representado por dos hermanas: Sophia (la razón) y Helena (la pasión). Ambas compiten por recuperar, cada una a su manera, el esplendor perdido de su familia. Una, a través de la virtud, la otra, a través de la pasión. Pero ¡cuán delgada es la línea que separa la templanza de la voluptuosidad! Precisamente esto es lo que Helena pretende averiguar cuando pone a prueba a su hermana, sin sospechar el sorprendente final que el destino le depara. "Una brevísima historia que se disfruta con ese inequívoco placer que sólo producen las obras de los más grandes escritores". Cayetano Sánchez, Canarias 7 "Una maravillosa novela". Sonia Rueda, 20 minutos "Zweig es un maravilloso literato, testigo directo del esplendor y decadencia—como Roth y Schnitzle—del mundo y la época de Centroeuropa de fines del XIX y del galope desenfrenado hacia los horrores de la I y II Guerra Mundial". Stefan Zweig (1881–1942) was a poet, novelist, and dramatist, but it was his biographies that expressed his full genius, recreating for his international audience the Elizabethan age, the French Revolution, the great days of voyages and discoveries. In this autobiography he holds the mirror up to his own age, telling the story of a generation that "was loaded down with a burden of fate as was hardly any other in the course of history." Zweig attracted to himself the best minds and loftiest souls of his era: Freud, Yeats, Borgese, Pirandello, Gorky, Ravel, Joyce, Toscanini, Jane Addams, Anatole France, and Romain Rolland are but a few of the friends he writes about.

María Antonieta nació en Viena en 1755, hija del emperador austríaco Francisco I y de María Teresa. En mayo de 1770 contrajo matrimonio, cuando tenía catorce años, con Luis XVI de Francia. De nuevo la destreza de Stefan Zweig para el retrato y su finísima comprensión del alma humana se unen para dibujar un cuadro extraordinario de la más famosa víctima de la guillotina: su tormentosa llegada a Versalles, la frustración ante la frialdad de su esposo, su apasionado romance con el conde Von Fersen y, finalmente, el caos y el terror que la revolución trajo consigo. «Si la Historia se enseñara en los colegios con libros como éste, no habría escolar a quien no interesara el pasado». Pablo d'Ors, 'ABC' «Retrato de la desafortunada reina de Francia que borda Stefan Zweig. No podrán detenerse». 'Mujer Hoy' «Una obra imprescindible para entender la naturaleza humana». Margarita Rivière, 'Qué Leer' «Una detalladísima, apasionante y plástica recreación novelesca de la vida y muerte de María Antonieta». Manuel Hidalgo, 'El Mundo' «Excelente cuadro. El estilo de Zweig es tan preciso y apasionante que consigue que la biografía se lea como una novela». Adolfo Torrecilla,

'Telva' «Zweig nos presenta a una mujer que vivió persiguiendo el hedonismo dentro de una jaula de oro». Lída Penelo, 'Público'

Los ojos del hermano eterno, libro curiosísimo en la obra de Stefan Zweig, está escrito como una leyenda oriental situada mucho antes de los tiempos de Buda. Narra la historia de Virata, hombre justo y virtuoso, el juez más célebre del reino, que después de vivir voluntariamente en sus propias carnes la condena a las tinieblas destinada a los asesinos más sanguinarios, descubre el valor absoluto de la vida y reconoce en los ojos del hermano eterno la imposibilidad intrínseca de todo acto judicial. Virata llega a ser, después de su renuncia, un hombre anónimo a quien le espera, una vez muerto, un olvido todavía más perenne, el de la historia que sigue su curso prescindiendo del hombre más justo de todos los tiempos. "Este es uno de los libros más bonitos de todos los que he leído. Mientras lo disfrutaba, me daba cuenta de que era lo que necesitaba leer, lo que busco siempre que abro un libro. Rara vez he encontrado una novela en que me agrada todo, de principio a fin". Pablo d'Ors, ABC "Parece como si esta pequeña historia de Stefan Zweig se hubiera situado en el Nepal del siglo VI a.c. porque la lección que lleva consigo era imposible imaginársela entre los modernos restos de la moral burguesa, democrática y cristiana de Occidente". Jordi Llovet, El País "Zweig dejó reflejado en su bellísimo cuento Los ojos del hermaño eterno la relatividad y subjetividad de esta clase de valores que son la moralidad, la bondad o la justicia". Marisol Ortíz de Zárate, El Correo Español "Bello relato, escrito con maestría". Fernando Pinto, Menorca

In these early 20th century literary essays, Stefan Zweig offers a Central European view of the writers he believed to be the “three greatest novelists” of the 19th century: Balzac, Dickens, and Dostoevsky. In Zweig’s view, Balzac set out to emulate his childhood hero Napoleon. Writing 20 hours a day, Balzac’s literary ambition was “tantamount to monomania in its persistence, its intensity, and its concentration.” His characters, each similarly driven by one desperate urge, were more vital to Balzac than people in his daily life. In Zweig’s reading, Dickens embodied Victorian England and its “bourgeois smugness”. His characters aspire to “A few hundred pounds a year, an amiable wife, a dozen children, a well-appointed table and succulent meats to entertain their friends with, a cottage not too far from London, the windows giving a view over the green countryside, a pretty little garden, and a modicum of happiness.” The ideal of middle-class respectability suffuses Dickens’ fiction. Dostoevsky drew on the struggles of his own life to illuminate the contradictions of the human soul. In Zweig’s view, his heroes had no desire to be citizens or ordinary human beings. While Balzac’s heroes “would gladly have subjugated the world, Dostoevsky’s heroes wished to transcend it.”

This classic Austrian novella paints a deeply moving portrait of a woman whose quest for passion and purpose comes at a steep price The less I felt in myself, the more strongly I was drawn to those places where the whirligig of life spins most rapidly. Drawn to the bright lights of a casino, and the passion of a desperate stranger, she discovers a purpose once again but at what cost? In this vivid and moving tale of a compassionate woman, and her defining experience, Zweig explores the power of intense love, overwhelming loneliness and regret that can last for a lifetime.

Available in English for the first time, this best-selling Turkish classic of love and alienation in a changing world captures the vibrancy of interwar Berlin. A shy young man leaves his home in rural Turkey to learn a trade and discover life in 1920s Berlin. There, amidst the city’s bustling streets, elegant museums, passionate politics, and infamous cabarets, a chance meeting with a beautiful half-Jewish artist transforms him forever. Caught between his desire for freedom from tradition and his yearning to belong, he struggles to hold on to the new life he has found with the woman he loves. Emotionally powerful, intensely atmospheric, and touchingly profound, *Madonna in a Fur Coat* is an unforgettable novel about new beginnings, the relentless pull of family ties, and the unfathomable nature of the human soul. First published in 1943, this novel, with its quiet yet insistent defiance of social norms, has been topping best-seller lists in Turkey since 2013.

'... a human being, an intellectual human being who constantly bends the entire force of his mind on the ridiculous task of forcing a wooden king into the corner of a wooden board, and does it without going mad!' A group of passengers on a cruise ship challenge the world chess champion to a match. At first, they crumble, until they are helped by whispered advice from a stranger in the crowd - a man who will risk everything to win. Stefan Zweig's acclaimed novella *Chess* is a disturbing, intensely dramatic depiction of obsession and the price of genius.

This biography of the man Stefan Zweig viewed as "the most perfect Machiavelli of modern times" was written in 1929, before the full impact of Nazism and Stalinism was understood. In this gripping case study of ruthlessness, political opportunism, intrigue, and betrayal, Zweig portrays Minister of Police Joseph Fouché (1759-1820), a "thoroughly amoral personality" whose only goal was political survival and the exercise of power.

Zweig traces Fouché's career, beginning with his stint as a math and physics teacher in provincial Catholic schools and evolving into a moderate and then radical legislator. Fouché cultivated every political movement du jour, holding no convictions of his own. After preaching clemency for Louis XVI, Fouché voted to send the King to the guillotine. After writing "the first communist manifesto of modern times" he became a multi-millionaire. He led the brutal repression of an anti-revolutionary movement, earning him the nickname "le mitrailleur (butcher) de Lyon". After serving Robespierre, Fouché engineered his overthrow and rose to Minister of Police under the Directory, which he then helped to overthrow before putting his network of informants in Napoleon’s service as his Minister of Police. After turning against the Emperor, Fouché served the new King Louis XVIII - whose brother he had helped send to the guillotine. Thus, Fouché served the Revolution, the Directory, the First Empire and the Restoration.

Existential and curiously hypnotic, Pablo d’Ors evokes the sharp stylized prose of Bolaño, Bernhard, and DeLillo in this strange tale of one man's repeated forays into the desert, and the ultimate silence it contains. "Thanks to the back cover of a book I knew that there lived in Brno a man who had dedicated a good portion of his life to traveling through many of the world's deserts." So begins Pavel's story, as a series of mysterious circumstances lead him to change the course of his life. On his repeated trips to the Sahara, first as part of an enigmatic organization called Friends of the Desert and later on his own, Pavel explores the drifting sands, and, ultimately, something approaching infinity. Nothing is as it seems. As the unknowns increase, each encounter presents a new mirror for Pavel's own expanding consciousness. Innumerable artists, thinkers, and mystics have paid their respects to the void. With refinement and care, Friend of the Desert inserts itself to that tradition. In the wake of Hesse's famous Siddhartha, Bolaño's *By Night* in Chile, and Don DeLillo's *The Names*, Pablo d'Ors approaches the depths and casually settles in. Friend of the Desert is a rare gift for seekers of the absolute.

From the bestselling author of the National Book Award winner *Let the Great World Spin* comes a lesson in how to be a writer—and so much more than that. Intriguing and inspirational, this book is a call to look outward rather than inward. McCann asks his readers to constantly push the boundaries of experience, to see empathy and wonder in the stories we craft and hear. A paean to the power of language, both by argument and by example, *Letters to a Young Writer* is fierce and honest in its testament to the bruises delivered by writing as both a profession and a calling. It charges aspiring writers to learn the rules and even break them. These fifty-two essays are ultimately a profound challenge to a new generation to bring truth and light to a dark world through their art.

One dark and stormy night in 1956, a stranger named Fludd mysteriously turns up in the dismal village of Fetherhoughton. He is the curate sent by the bishop to assist Father Angwin-or is he? In the most unlikely of places, a superstitious town that understands little of romance or sentimentality, where bad blood between neighbors is ancient and impenetrable, miracles begin to bloom. No matter how copiously Father Angwin drinks while he confesses his broken faith, the level of the bottle does not drop. Although Fludd does not appear to be eating, the food on his plate disappears. Fludd becomes lover, gravedigger, and savior, transforming his dull office into a golden regency of decision, unashamed sensation, and unprecedented action. Knitting together the miraculous and the mundane, the dreadful and the ludicrous, Fludd is a tale of alchemy and transformation told with astonishing art, insight, humor, and wit.

This is the third essay of Stefan Zweig’s *Three Masters: Balzac, Dickens, Dostoevsky*, written in the early 20th century. Part biography, part literary criticism, part cultural history, the essay offers a window onto how a Central European regarded the Russian master, who died in 1881, the year Zweig was born. Dostoevsky’s genius, in Zweig’s view, owed a debt to his illness, as Tolstoy’s did to his radiant health. Illness “enabled Dostoevsky to soar upward into a sphere of such concentrated feeling as is rarely experienced by normal men; it permitted him to penetrate into the underworld of the emotions, into the submerged regions of the psyche.” This essay is one of the best examples of Zweig’s psychologically-informed literary criticism.

Los ojos del hermano eterno es una novela breve del escritor austriaco Stefan Zweig. La obra narra el camino de un guerrero llamado Virata hacia la purificación. Ante un gran acontecimiento en el que tiene que tomar una determinación, la inacción le lanzará por diversas etapas como guerrero, juez, noble, anacoreta, en busca de la libertad y la tranquilidad de espíritu. Al final descubrirá que sólo quien es útil es libre: quien da su voluntad a otro y su energía a una labor.

Written during the Second World War, Zweig's typically passionate and readable biography of Michel de Montaigne, is also a heartfelt argument for the importance of intellectual freedom, tolerance and humanism. Zweig draws strong parallels between Montaigne's age, when Europe was torn in two by conflict between Catholicism and Protestantism, and his own, in which the twin fanaticisms of Fascism and Communism were on the verge of destroying the pan-continental liberal culture he was born into, and loved dearly. Just as Montaigne sought to remain aloof from the factionalism of his day, so Zweig tried to the last to defend his freedom of thought, and argue for peace and compromise. One of the final works Zweig wrote before his suicide, this is both a brilliantly impassioned portrait of a great mind, and a moving plea for tolerance in a world ruled by cruelty.
