The colourful world of figurines may often be associated with anime fans, movie buffs, and hobbyists, but there is a growing section of graphic designers who are making their mark as creator-

collectors. Figure It Out turns the spotlight on the talented creatives who apply their artistry beyond two-dimensional surfaces onto unique collectibles that blur the line between toy and art. Featuring a wide curation of projects, behind-the-scene snippets, interviews as well as insights into the materials and processes involved, it takes a closer look at a rising trend in design and pop culture where the only

limit is one's imagination.

### **Medleys for Blended Worship, Complete Collection**

Traditional hymns are often performed alongside contemporary praise and worship songs in many of today's church services, giving rise to the term "blended worship." This complete collection of all four Blended Worship books, by prolific Christian-music arranger Carol Tornquist, provides a valuable resource for pianists who want to play familiar hymn tunes in a tasteful and new style in addition to current praise songs recognizable to most congregations. To assist in planning, performance times are included. 172 pages. Titles: Amazing Grace with I Could Sing of Your Love Forever \* Amazing Love (My Lord, What Love Is This) with What Wondrous Love
