MATIAS MCLEAN

Black Knight Lontar

Sutton Briar has lived the past several years doing everything in her power to remain invisible. Boxy skirts? Oversized tops in muted colors? Yes please! She learned the hard way that gaining the attention of the opposite sex could lead down a very dangerous path. She's

content to blend in with the wallpaper, but then her boss makes a request she can't refuse for fear of losing her job. Pretend to be the girlfriend of legendary musician, Camden Knight. There's just one problem. She can't stand him... and the feeling is mutual. Camden Knight spent years burying a crucial part of himself from the public eye. But when a one-night stand gone horribly wrong blows the lid off his secret, the only hope of repairing the

damage to his reputation comes at the hands of a woman he despises. They're complete opposites in every way, but what starts as a fake relationship quickly turns into something neither of them expected. And what was supposed to be only one night leaves them both wanting so much more.

The Rise and Fall of the Mounted Knight
Zebra Books

MAHALA IS A CITY OF CONTRASTS: LIGHT AND DARK. HOPE AND DESPAIR. Rojan Dizon just wants to keep his head down. But his worst nightmare is around the corner. With the destruction of their power source, his city is in crisis: riots are breaking out, mages are being murdered, and the city is divided. But Rojan's hunt for the killers will make him responsible for all-out anarchy. Either

that, or an all-out war. And there's nothing Rojan hates more than being responsible. The fantastic follow-up to FADE TO BLACK!

Suge Knight BookRix

The medieval mounted knight was a fearsome weapon of war, captivating and horrifying in equal measure, they are a continuing source of fascination. They have been both held up as a paragon of chivalry, whilst often being condemned as oppressive and violent. Occupying a unique place in history, knights on their warhorses are an enigma hidden behind their metal armor, and seemingly unreachable on their steeds. This book seeks to understand the world of the medieval knight by studying their origins, their accomplishments and their eventual

decline. Forged in the death throes of the Roman Empire, the mounted knight found a place in a harsh and dangerous world where their skills and mentality carved them into history. From the First Crusade to the fields of Scotland, knights could be found, and their human side is examined to see how these men came to both rule Europe, and ride into enduring legend. The challenges facing the mounted knight were vast and deadly, from increasingly professional and competent infantry forces to gunpowder, the rise of political unity and the crunch of finance. The factors which forced the knight into the past help to define who and what they were, as well as the legacy that they have left indelibly imprinted on the world. The standout feature of this book is the focus on the

equine half of the partnership, from an author who practices the arts of horsemanship on a daily basis, including combat with sword and lance. The psychology of the horse, refined by the experience of actually training warhorses, has helped the author to add to the body of academic work on the subject. This insight opens up the world of the mounted knight, and importantly and uniquely, challenges the perception of what he and his horse could really do. *The Fall of the White Knight Stone* Knight's Chaos and tragedy can either bring us together, or tear us apart. Falling in love isn't like it is in fairy tales. CRESSIDA Being a single mom is hard. But Lexi is my life, and I'll do anything for my daughter. I just never expected tragedy

to strike, or for my past to haunt us. Or for Dr. Preston Knight to be the man who saves us. The same man I should never have fallen in love with. PRESTON I'm the best in my field. Being a doctor is in my blood. My focus is always on my career. Until her-Cressida Bayliss. I've fought many battles, but never one so close to my heart. This is the biggest fight of my life, and with my heart on the line, I can't afford to lose.

She Owns the Knight Pen and Sword History

After tragedy tears Jamie Brandt's life apart, her only goal is to finish high school so she can leave her small hometown behind. In the meantime, riding her horse is her main source of solace, until a mysterious stable hand shows up at the barn. There's something

not quite right about the handsome new employee, and the more Jamie sees of him, the more determined she becomes to figure out what he's hiding. Dothan Reed came to historic Huntsville, Maryland, for one reason—revenge. But his plan can't move forward until he finds the missing piece he needs to enhance his powers. As the only surviving Nephilim, Dothan is not only weaker than full-blooded angels; his forbidden lineage makes him an outcast in both worlds. When he discovers Jamie is the key to locating an ancient weapon, he's forced to interact with a vulnerable human girl—a task that becomes more appealing with each encounter. Jamie soon learns Dothan isn't the only one with a dark secret. Each new revelation further threatens her safety, and

Dothan's betrayal shatters her heart. Forgiving him seems impossible, but the thought of turning her back on him is equally painful. As their connection deepens, Dothan will have to make his own difficult choice: continue on his path of vengeance, or protect the girl he loves. And when Dothan's actions thrust Jamie into an unforeseen danger, he must seek the help of his enemy...or risk losing her forever.

She had moved almost eighteen hundred miles, trying to escape the heartache of a painful break-up; He was looking for that special someone to walk into his life. Neither of them could have known that a chance meeting in an elevator would change their lives; or that

a little button marked "Stop" was really just the start!

Knight Fall Cambridge University Press

Ali woke with no recollection of who she was or what had taken place. She was lying on the floor and four terrifying bikers were standing over her. After six long months, an older biker slips into her cell and lets her out. He places her in a car and gives her an address, then strides away. Jaxon has been barely surviving since his girl Ali was murdered by a car bomb. He becomes the Sargent of Arms for his MC and swears to never open his heart to anybody else. His brothers rename him Dragon, in honour of his newly discovered appreciation of the blowtorch. How will he cope, when an unfamiliar car shows up near the compound one day, and his Ali is behind

the wheel? Will she ever recall what he was to her? And will he be able to save her from, the man determined to see her dead!

The Robber Knight - Special Edition little bee books

When you are fighting for the freedom of your people, falling in love with your enemy is not a great idea. Sir Reuben, the dreaded robber knight, has long been Ayla's deadliest enemy. She swore he would hang for his crimes. Now they are both trapped in her castle as the army of a far greater enemy approaches, and they have only one chance: stand together, or fall. Welcome to "The Robber Knight"-a tale full of action, adventure, and romance. Special Edition with secret chapters revealed and insights into Sir Reuben's mysterious

past.

Xavier Knight was an angel--until Heaven kicked him out. Now he's a private detective in New Orleans, trying to put his old immortal life behind him while avoiding Lucifer's bounty hunters. But when his latest case uncovers a plot to end the world with a supernatural drug, he'll need all the otherworldly help he can get to stop it. An apprentice mage on the run, a nosy storefront psychic, a vial of angel blood, and a surly cherub are hardly the stuff of legends. But they're all he's got.

What do you do when it's your destiny to be damned? For centuries, that is the grave question that has plagued each wielder of the Ebony Blade -and all of them ultimately succumbed to the sword's curse. Now, as his own addiction to the weapon grows ever stronger, this shocking truth is laid bare to its current owner, the former Avenger Dane Whitman. Will this revelation be the reason he ends up in the strange and dangerous realm known as Weirdworld?

Or is there something else? When the Uncanny Avengers hunt him down, will Dane's past actions finally catch up with him? And in the ensuing battle, will his stay in Weirdworld come to a premature end? Collects Black Knight #1-5 and Original Sins #2 (Black Knight story).

Red Knight Falling Meghan March LLC

"Supernova: The Knight, The Princess and the Falling Star" presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over

the past decade. "Supernova" is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

When she is captured by Lord Julian Challon, the English warrior known as the Black Dragon, defiant Scotswoman Lady Tamlyn MacShane finds herself falling in love with the enemy, but Julian is also falling under her spell. Original. *Falling for Mr Knight* Typhoon Media Ltd
While vacationing in Trinidad, world-renowned photographer Roman Knight unexpectedly acquires a new muse, Cynthia Tremaine. Their chemistry is off the charts and they can't resist giving into a night of passion together. Neither of them expected to see each other again after they parted ways...but fate seemed to have other plans.

One Knight Stand Penguin

A single instinctive act of heroism to save a princess leads a young man into a life that he could not have imagined. Brought into the life of knights, fair maidens, and kings, Conner finds himself outcast and alone. But under the tutelage of an old man from a far-off land, Conner begins to learn skills that even the fabled Knights of Karmon could not match. But as the nefarious plans of the evil Lord Neffenmark come to fruition, he finds himself embroiled in the deadly politics and forces far beyond the borders of his little kingdom. Knight Fall begins the first chapter in the life of Conner, a simple peasant who dares to affect change upon the world.

Sir Gawain and the Green Knight The Wild Rose Press Inc

Why does she have to travel seven hundred years through time to find a decent guy? Brokenhearted Gillian Corbett finally finds the knight of her dreams...in the past. Unfortunately he's bossy, overbearing, and...betrothed! Fortunately, he thinks she is his affianced, which keeps her from garderobe duty. Or worse, being hanged as a spy. She knows she has to get back to her own time before his real fiancé shows up and the truth is discovered, but until she finds a way, she's going to squeeze every bit of enjoyment she can out of this situation. As far as she's concerned, this is one relationship in which she gets to call the shots, not the other way around. The dowry provided by his betrothed bought him, lock, stock, and barrel. She'll gladly whip him into

shape for the girl who ends up with him. No thanks required. In the meantime, Gillian owns him, and as every twenty-first century girl knows...ownership has its privileges. Why can't he find a lady who is obedient, submissive...or at least not trying to kill him? After a horrible first marriage that ended badly, Sir Kellen Marshall is determined to protect what is left of his dreams. He needs an heir, an alliance, and a chaste bride who has never loved another. Would that he'd been choosier in his specifications because what he's ended up with is a loud, bossy, demanding female who will drive him daft at every opportunity. So why does he feel he'd like to lay the world at her feet if she'd simply give him the chance? When modern meets medieval, can there be a happily ever

after? OTHER BOOKS BY DIANE DARCY: Serendipity, She's Just Right, Once in a Blue Moon, The Christmas Star, A Penny for Your Thoughts, Beauty and the Beach, The Princess Problem, Steal His Heart.

Prince & Knight Penguin

New York Times bestselling author Meghan March continues the story of untold truths and one man's redemption in the Dirty Mafia Duet. I never expected to be anyone's white knight. That's not a role I've ever played. But when the Casso crime family shifts into uncharted territory, they're looking for a new hero, and they're looking for me—Cannon Freeman, the black sheep. But my time in disgrace is at an end. It's my turn to rise up and save the people who matter most to me. Even if my family has never

given a damn about me, I will not let them fall. More than anything, I will not let her fall. White Knight is the second book in the Dirty Mafia Duet and should be read after Black Sheep.
