### **Horse, Follow Closely** PONS

Alexander Cold, his grandmother Kate, and his closest friend Nadia return in the follow-up to *City of the Beasts* on a new quest to find the fabled Golden Dragon of the Himalayas, another fantastical voyage of suspense, magic, and awe-inspiring adventure from internationally celebrated novelist Isabel Allende. Not many months have passed since teenager Alexander Cold followed his bold grandmother into the heart of the Amazon to uncover its legendary Beast. This time, reporter Kate Cold escorts her grandson and his closest friend, Nadia, along with the photographers from International Geographic, on a journey to another location far from home. Entering a forbidden sovereignty tucked in the frosty peaks of the Himalayas, the team's task is to locate a sacred statue and priceless oracle that can foretell the future of the kingdom, known as the Golden Dragon. In their scramble to reach the statue, Alexander and Nadia must use the transcendent power of their totemic animal spirits—Jaguar and Eagle. With the aid of a sage Buddhist monk, his young royal disciple, and a fierce tribe of Yeti warriors, Alexander and Nadia fight to protect the holy rule of the Golden Dragon—before it can be destroyed by the greed of an outsider.

### Riding for Beginners Fox Chapel Publishing

Where Children Sleep presents Mollison's large format photographs of children's bedrooms around the world - including from the USA, Mexico, Brazil, England, Italy, Israel and the West Bank, Kenya, Senegal, Lesotho, Nepal, China and India - alongside portraits of the children whose bedrooms are featured. Each pair of photographs is accompanied by an extended caption that tells of the story of the child in question - about Kaya in Tokyo whose proud mother spends \$1000 per month on her dresses; about Bilal the Bedouin shepherd boy who sleeps out with his father's herd of goats; about the Nepali girl Indira, who has worked in a granite quarry since she was three years old, and about Ankhohxet, the Kraho boy who sleeps on the floor of a hut deep in the Amazon jungle. Photographed over two years with the support of Save the Children, the book is written and presented for an audience of 7-11 year olds - setting out to interest and engage children in the details of the lives of other children around the world, and the social issues affecting them, while also being a serious photographic essay for an adult audience. Its striking design features a child's mobile on the cover, printed in glow-in-the-dark ink.

### The Dragon Sisters Workman Publishing

Mean Girls meets Black Beauty in *Horse Girl* by celebrated author Carrie Seim--a funny and tender middle-grade novel about finding your forever herd. "This book is funny and exciting. Beautifully portrays both the pleasures and risks of riding horses and also of being a teen. Very original, and a great pleasure to read."--Jane Smiley, Pulitzer Prize-winning author Wills is a seventh grader who's head-over-hoof for horses, and beyond excited when she gets the chance to start training at the prestigious Oakwood Riding Academy. But Amara--the Queen of the #HorseGirls--and her posse aren't going to let the certifiably dork-tagious Wills trot her way into their club so easily. Between learning the reins of horse riding, dealing with her Air Force pilot mom being stationed thousands of miles from home, and keeping it together in front of (gasp!) Horse Boys, Wills learns that becoming a part of the

#HorseGirl world isn't easy. But with her rescue horse, Clyde, at her side, it sure will be fun. Complete with comedic, original hoof notes to acquaint the less equestrian among us, *Horse Girl* delivers everything a young readers wants: mean girls, boy problems, and embarrassingly goofy dad jokes. And it does so on the back of a pony.

### With Two Horses Around the World NorthSouth Books

Wild Animals of The North creator, Dieter Braun, explores mountains of the world in his latest nonfiction picture book. Mountains have been the fascination (and sometimes the downfall) of adventurers and explorers throughout history. Meet the animal inhabitants of these rocky peaks, as well as the brave travelers who challenged their great heights. Climb into this immersive book and explore the top of the world, from the peaks of Kilimanjaro to the summit of Mount Everest. Revel in the lush illustrations by Wild Animals of The North creator, Dieter Braun, in this celebration of mountains all over the world.
