The Dhandho Investor DIANE Publishing

A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

This is the 1,000-year saga of the remarkable Scottish family, who began as stewards, then became Stewarts, the Royal Stewarts, and finally Stuarts. They were remarkable not only for the continuity of the male line, which went for 26 generations without a break, but also for the 340 years that they held on to sovereign power. Yet, despite the longevity of the dynasty, the lives of many individuals were violent and short. Of the fourteen Stewart monarchs, eight failed to reach the age of fifty. Six of the fourteen died violent deaths, two were murdered, two executed

and two killed in battle. Because of the tendency towards early death, the average age of accession was only twenty-three, and six came to the throne before they were ten. Of the non-royals, over 100 were murdered and over 200 executed. It is a remarkable tale of tenacity and adaptability that has seen the family survive for 1,000 years. The Rises and Falls of the Royal Stewarts tells their fascinating tale with verve and drama.  PICK AS FEATURED ON TODAY • Two estranged siblings delve into their mother's hidden past—and how it all connects to her traditional Caribbean black cake—in this immersive family saga, “a character-driven, multigenerational story that’s meant to be savored” (Time). “Wilkerson transports you across the decades and around the globe accompanied by complex, wonderfully drawn characters.”—Taylor Jenkins Reid, New York Times bestselling author of The Seven Husbands of Evelyn Hugo, Daisy Jones & The Six, and Malibu Rising In development as a Hulu original series produced by Marissa Jo Cerar, Oprah Winfrey

(Harpo Films), and Kapital Entertainment ONE OF THE BEST BOOKS OF THE YEAR: NPR, PopSugar We can't choose what we inherit. But can we choose who we become? In present-day California, Eleanor Bennett's death leaves behind a puzzling inheritance for her two children, Byron and Benny: a black cake, made from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking tale Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child challenge everything the siblings thought they knew about their lineage and themselves. Can Byron and Benny reclaim their once-close relationship, piece together Eleanor's true history, and fulfill her final request to "share the black cake when the time is right"? Will their mother's revelations bring them back together or leave them feeling more lost than ever? Charmaine Wilkerson's debut novel is a story of how the inheritance of betrayals, secrets, memories, and even names can shape relationships and history. Deeply evocative and beautifully written, *Black Cake* is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.

Melanie is a newly minted mermaid on her way to visit her Uncle Arlo, hoping to help him with his marine biology research and earn her tail. Along with Melanie on the trip is her dad and her friend Ri'Anne, who Melanie hopes will follow her in her footsteps to become a mermaid like her. To teach another to be a mermaid takes magic and lots of water! Melanie's plan is first to learn what it takes to be a mermaid, so she can teach Ri'Anne, all while doing research dives for her uncle. However, Ri'Anne is a fairy at heart, and while she wants to please Melanie, trouble can result when fairy meets water. Will Ri'Anne choose to be a mermaid and fulfill her lifelong dream, or follow her heart and become a fairy and fly free? Can Melanie still fulfill her quest for a mermaid tail?

Everyone loves an icebreaker, especially in Scotland. Whether you're waiting at the bus stop, propping up the bar, or being introduced at a party - it's not unusual to be asked this question: Where d'you stay? But there's not always a simple answer. Everyone's home is different. Even so, whether Scots by birth or association, we all need to personalise -- with creative thinking, thrifty living, unexpected aesthetics -- the spaces in which we sleep, eat, and repeat. *The Coorie Home* creates a panoramic yet intimate view of authentic Scottish home life; it features insightful interviews, practical advice, exploration and beautiful photography. Encompassing communal living, cool interiors, the sanctuary of the remote getaway, urban gardens and all kinds of outside 'rooms', *The Coorie Home* showcases a contemporary array of eclectic, individual and inspirational Scottish living spaces.

*Military Recruiting in the United States* provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth.
