Limo Bill the Undercover Assassin by Bill Ames is an adult fiction novel. The main character is a paid assassin with a cover

job driving a Limo in Myrtle Beach. Plenty of Limo stories, Assassin stories, Party stories, Sex stories and Romance. Get inside Limo Bill's head as he narrates his thoughts about his business partner, friend and lover, Annie, his very sexy life partner and stripper and the stories he tells with wild imagination that's over the top at times. Hang on for an insane ride to ridiculousness. As an assassin, Limo Bill only kills bad people. At times he has internal struggles dealing with killing his targets. Each kill has a storyline not too farfetched bringing real life emotion to the characters and has his own special way to end the bad person's life. As a Limo driver, he sees an intoxicated side of people that

might bring back some memories, some you wish you could forget. The party stories read like drunks gone wild! Limo Bill has a romantic side in his view of life, a little wild with the sex scenes, but romantic just the same. This book delivers 'Shock (Yikes!) and Ahhhhhh! (Like someone when they see a puppy) You will want to tell others about this book and it should be on your favorites list. For more information about the book and author, check out LimoStories.com

Into the Wild

Langenscheidt Publishing Group
Krakauer's page-turning bestseller explores a famed missing person

mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying...

Eloquent... A heart-rending drama of human yearning."

—New York Times
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his

decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on

the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge.

Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
