 Writing with the wry realism of Sally Rooney, one of Germany's most promising literary talents demonstrates her incisive understanding of the complexities of relationships and the depths of the human heart in this witty and compulsively readable novel about five very different women whose lives intersect. What happens when women fulfill their roles as wives, mothers, friends, lovers, sisters, and daughters? What comes next? Award-

winning author Daniela Krien explores these questions in this powerful novel of friendship, love, loss, and everything in between. Krien explores the hopes, ambitions, challenges, and disappointments that shape modern women's lives, offering intimate insights on motherhood and childlessness, bereavement, infidelity, and divorce. At the heart of the novel are five very different women who find themselves hurtling towards a new way of living without knowing

quite how they got there. A fresh take on women's lives, *Love in Case of Emergency* is a punchy yet sensitive novel that takes the notion of aspiring to find happiness and connection to new and exhilarating heights. Translated from the German by Jamie Bulloch

 Joining the ranks of *The Life-Changing Magic of Not Giving a F*ck*, *The Subtle Art of Not Giving a F*ck*, *You Are a Badass**, and *F*ck Feelings* comes this refreshing, BS-free,

self-empowerment guide that offers an honest, no-nonsense, tough-love approach to help you move past self-imposed limitations. Are you tired of feeling fu*ked up? If you are, Gary John Bishop has the answer. In this straightforward handbook, he gives you the tools and advice you need to demolish the slag weighing you down and become the truly unfu*ked version of yourself. "Wake up to the miracle you are," he directs. "Here's what you've forgotten: You're a

fu*king miracle of being." It isn't other people that are standing in your way, it isn't even your circumstances that are blocking your ability to thrive, it's yourself and the negative self-talk you keep telling yourself. In *Unfu*k Yourself*, Bishop leads you through a series of seven assertions: I am willing. I am wired to win. I got this. I embrace the uncertainty. I am not my thoughts; I am what I do. I am relentless. I expect nothing and accept everything. Lead the life you were meant to

have—*Unfu*k Yourself*. **Das Jungen Fragebuch.** Twenty-First Century Books
THE NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson--about a teen who wakes up every morning in a different

body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that

moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and

Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

 'Who says that daughters cannot be heroic?' Once upon a time, history was written by men, for men and about men. Women were deemed less

important, their letters destroyed, their stories ignored. Not any more. This is the story of women who went to war, women who stopped war and women who stayed at home. The rulers. The fighters. The activists. The writers. This is the story of Wu Zetian, who as 'Chinese Emperor' helped to spread Buddhism in China. This is the story of Genghis Khan's powerful daughters, who ruled his empire for him. This is the story of Christine de Pizan, one of the earliest feminist writers. This is

the story of Victoria Woodhull, who ran for president before she could even vote for one. This is the story of the world - with the women put back in.

 The sixth and final novel from beloved and critically-acclaimed Israeli

crime novelist Batya Gur—a stunning tale of a beautiful and secretive woman's murder, set against the politically charged backdrop of the Israeli media
 Acclaimed Israeli director Benny Meyuhas' film production of the heartbreaking work "Iddo and Eynam" promises to be a landmark of Israeli film—until his wife and the films' set designer Tirzah Rubin is crushed under a set piece, stalling the production indefinitely. But more shocking is what comes to

light in the investigation—that Tirzah’s storybook life wasn’t at all what it seemed, and that her death may have been part of a larger network of social and political unrest. The brooding Chief Superintendent Michael Ohayon has spent his career surrounded by horrific crimes, but perhaps none most deeply disturbs him than Tirzah’s murder, its strange connection to Israeli labor disputes and religious corruption shaking him to the core.

The crowning achievement to a magnificent career, this final installment in the Michael Ohayon series is a wonderful parting gift from the incomparable Batya Gur—one last fascinating visit to an always tumultuous land, in the company of a detective the author and her devoted readers have loved so well.

Wonder Girls: Changing Our World is the first

photographic book to document groups of activist girls (age 10 to 18) globally. It's award winning and inspiring! Paola Gianturco and her eleven-year-old granddaughter documented the work of fifteen girl-led nonprofit groups in thirteen countries in Asia and Central Asia, North and Latin America, the Middle East, Africa and Oceania. They interviewed and photographed 102 girls. If you think "girls are the future," prepare to be dazzled. These girls are

changing our world right now. Groups of activist girls age 10-18 are transforming our world: improving education, health, equality and the environment; stopping child marriage, domestic violence, trafficking and war. Their imagination and courage radiate through their stories, all told in their own words. In this book, you will watch girls lobby U.S. senators; see Mexican girls invent mobile phone apps to solve social problems; meet Malawian girls who convinced Parliament to

outlaw child marriage. You will eavesdrop on Ugandan girls as they advocate for girls' rights at a UN meeting. And you will meet other girls as they write blogs, petitions, poetry, create radio shows, videos, invent dances, songs and works of art to promote their causes. Wonder Girls: Changing Our World is a call to action to help these girls accomplish their important work. Alex Sangster's sections, the finale of each chapter, tell you how. The book's Foreword was written by

Musimbi Kanyoro, President and CEO of the Global Fund for Women, the world's largest grant-making organization that benefits women and girls internationally. The Global Fund for Women will receive 100% of the authors' royalties from this book.
